

Your chance to spotlight your activities

EPSO News, the EPSO Newsletter, is targeted at all its members and contains the latest news and views of interest to the European plant science community. As a valued member of EPSO, you have the chance to draw attention to your activities in the Members' News section which will spread word of the latest and most important developments in your organisation to the entire network and beyond.

Instructions for contributors

Members are encouraged to submit contributions for the Members' News section of the EPSO Newsletter.

The purpose of this section is to:

- exchange information
- present exciting new results
- share ideas

Length/Format

The contribution should be brief, no more than 400 words of text (including author's information) accompanied by one illustration (if desired).

The title should be no more than 10 words.

The text should be double-spaced, in Arial, font size 10.

Please note that contributions do not need to be in the format of a pre-written article. You can provide us with the rough outline or draft of an article.

Content

Contributions could pertain to:

- latest discoveries in plant science
- news in science policy
- science and society issues

Contributions should be concise and should contain news that is novel, original and innovative. The information presented should be of relevant and interesting to the plant science community.

Information about upcoming meetings and jobs announcements will be included in another section of the newsletter.

Author information and contact details should be included. A link could be included.

Use of abbreviations and acronyms should be limited to the minimum and an explanation should be provided.

Authors are encouraged to provide their own illustration (one good quality image)

Submission process

Contributions should be submitted by email to: contact-epsoneews@epsomail.org

It could be:

- plain text within the email message
- one attached file in Word (.doc) or Rich Text Format (.rtf) format

Pictures should be sent as TIFF (.tif) or JPEG (.jpg) files

Deadlines for submission in 2009

- 12 January 2009 for publication in the February issue
- 16 March 2009 for publication in the April issue
- 11 May 2009 for publication in the June issue
- 10 August 2009 for publication in the September issue
- 12 October 2009 for publication in the November issue

Disclaimer

EPSO reserves the right to edit contributions. Not all contributions will be published in the Newsletter. Selections will be made according to space availability and relevance.
